Halliday 2019 Wine Companion

******* FIVE RED STAR WINERY**

2017 CHIN MUSIC SAUVIGNON BLANC

95 POINTS

"Selectiv'-harvested, crushed and pressed with selected yeast, stirred for 2 months, settled and bottled soon thereafter. The fruit is exceptionally intense, with snow pea, pink grapefruit and guava encircled by acidity." Drink to 2019.

2016 HALLOWED TURF CHARDONNAY

95 POINTS

"Clonal mix of 50% 95 and 227, 50% Gin Gin. Selectiv'-harvested, 50% fermented in used French oak, 50% in stainless steel barrels. Extraordinarily intense chardonnay; the oak has disappeared, leaving a pure, unadorned varietal mix of stone fruit and citrus." Drink to 2024.

2014 THE WILLOW CHARDONNAY

97 POINTS

"Hand-picked 100% Gin Gin clone, whole-bunch pressed, cloudy juice to French oak (40% new), wild fermentation. This is true elegance, the straightest of straight bats. Margaret River isn't given to producing Chablis style, but this has a go, with many years (and runs) ahead." Drink to 2026

2013 W.G. GRACE CABERNET SAUVIGNON

96 POINTS

"Vines planted '98, hand-picked, crushed, destemmed, 4 weeks on skins, 18 months in French oak (60% new). A very powerful wine, cabernet at its Viv Richards haughtiest best. The tannins are a firm but balanced part of the long, structured blackcurrant and black olive finish." Drink to 2038.

2015 THE DOC PETIT VERDOT

94 POINTS

"Includes 15% cabernet sauvignon, hand-picked, matured for 18 months in French oak (40% new). Bright crimson-purple; opens with a juicy flourish, then petit verdot tannins wake up and join the band, providing both balance and length." Drink to 2035.
